CLUB NOTES

Disappointing result at Norwich

With all but one of our Cup Final team on view again in the last home match—and the exception being no mean performer in the person of inside right Brian Godfrey, who has scored 10 goals in his 10 League games this season—the side put up a performance more in keeping with their reputation of 1963-64.

Although Northampton, who came to Deepdale as Second Division leaders, saved a point, partly due to the encouragement of two goals from defensive lapses in the first eight minutes, our team soon found a much happier touch and provided entertainment of a high order during almost complete second half domination.

Unfortunately, owing in the main to the excellence of Harvey's goalkeeping, and sound covering by a defence which had conceded only five goals in six away matches, North End were unable to improve upon their first half showing in terms of goals and had to be satisfied with a luckless 2-2 draw.

This class of football was reproduced in the mid-week match at Norwich, where, by general consent, Preston gave an impressive display in gaining a 2-0 lead. This advantage, regrettably, was lost through further slips in defence, the home side scoring just before and shortly after the interval.

CLUB NOTES—continued

A further goal for Norwich, which also should have been prevented, would have been liquidated if two simple looking chances had been taken, and a remarkable transformation, if a disastrous one for North End, was completed by a last minute goal. The winners went to the top of the table.

With this defeat we have now won only one of the last eight matches (nine if you include the League Cup-tie at Doncaster). We have also conceded goals at an alarming rate, averaging nearly three a game, and it would be foolish not to recognise that the position, even though there is a long way to go, is serious.

Up to now as many as 30 have gone on the debit side in 11 League matches, 25 of them in the last seven games. The fact that the opposition scored a total of only 54 in all 42 League matches last season makes an evident weakness all the more disappointing. Many goals have been so needlessly sacrificed.

It was reasonable at first to blame the upset of the team, through various misfortunes, for this entirely unexpected slump, but it must be acknowledged that the Cup Final defence played in the last two games, and these have cost us another six goals. It is all very disturbing, not least to the players concerned.

The galling part of it is that North End have scored 22 goals in these 11 League games, a total which should have ensured a much greater gain than a mere eight points. If this average could be kept up the final total would be 84, compared with our aggregate of 81 last season. The players could well ponder on this in their desire and determination to produce much happier results.

KNOW YOUR TEAM *6. David Wilson*

Sometimes it is said of naturally talented players that they do not know just how good they could be, or they would get a good deal more pleasure out of a performance and considerably better results. This remark, to some extent, has applied to gifted Dave Wilson, a youngster with an abundance of natural ability in his feet without always being able to find the happy knack of employing it. But whatever reservations there might have been concerning this highly promising England Under-23 international, they must have been dispelled by his wonderful display at outside right against Northampton in our home match last Saturday. If Tom Finney had seen his successor weave and wend his way through the defence, showing delightful skill and guile, and getting the intended effects without labouring, he would have been more than pleased. The best compliment that can be paid young Dave for his mastery in giving Mike Everitt the run-around and Northampton's entire defence the jitters, is to say that many people considered his performance in the Tom Finney class. There can be little doubt that if this ever-present former member of a very successful Preston Youth team continues to produce this kind of football he will be more than knocking at the door of the England team—he will be in it.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Recently the Directors, Players and Staff and their wives had an opportunity of re-living a very memorable occasion by seeing B.B.C. and Movietone News film of the 1964 Cup Final v. West Ham, in the Main Hall of the Supporters' Club new premises. It was a thoroughly enjoyable evening and our thanks are due to the Committee of our Supporters' Club for allowing the use of the building. Messrs. Holdens (Photographics) of Preston very kindly provided all the equipment and staff for the showing of the films and our thanks are due to them. The films were shown on two following nights to the Junior and Senior Members of the Supporters' Club, and we understand, very much appreciated.

IMPORTANT.—The attention of all Supporters is drawn to the practice of encroaching on the playing area by spectators, particularly at the end of the match by Juvenile Supporters. Disorder of this kind can lead to Police action or the closing of the Ground by the Football Association. Spectators are asked not to create the possibility of this kind of trouble at Deepdale by keeping clear of the playing pitch at all times.

OUR VISITORS—*Swansea Town*

We are pleased to renew acquaintance today with Swansea Town and extend a hearty welcome, regretting only that the circumstances of the match are not more favourable to both clubs. The fact that North End are next to the Swans among the bottom five in the Division, with eight points each, makes this a vital game.

One cannot say, however, that it is as vital as our last tense and fairly recent meeting, the F.A. Cup semi-final of last season at Villa Park, through which neither the players really need any introduction! It was a hard-fought struggle for the honour of appearing at Wembley and Preston prevailed by the odd goal of three.

North End's success avenged by the identical score a Swansea victory in a fourth round F.A. Cup-tie at the Vetch Field on January 29th, 1961, an occasion remembered here for the dramatic circumstances of an early Saturday morning car dash by Alan Kelly to replace goalkeeper Fred Else, who had been taken ill at Porthcawl.

Swansea Town have had a long association with the Second Division, never having been in the First, and have spent more seasons in this section since the war—all but two and 17 in all—than any other club during this period. Oftener than not they have been in the bottom half and escaped relegation a few times.

The club, which has gained fame for mass production of fine talent and kept going by transferring local stars for big fees, came into being in 1911 and were original members of League Division III in 1920. Our first meeting with Swansea was on September 25th, 1925. Subsequent results have worked out pretty evenly.

Ron Briggs (*goal*). Belfast born. Irish International, 6ft. 2in., 12st. 12lbs. Signed from Manchester United. Very agile for his size.

Brian Hughes (*full back or right half*). Height 5ft. 10in., weight 11st. 7lbs. Welsh Youth and "Under-23" International. Local product. Exceptionally strong in the tackle and a tireless worker.

David Ward (*full back*). Taunton born. Joined club as an outside left but was converted to full back in his first season. Strong tackler. Good in the air.

Albert Harley (*wing half*). Signed recently from Shrewsbury at a substantial fee. Born Chester. Previous club Lache, Chester. Currently under suspension.

Peter Davies (*wing half*). Llanelly born. Height 5ft. 10in., weight 10st. Joined the Swans along with David Dodson from the Arsenal as part of the Mel Charles transfer deal. Hard tackler who is developing into a first rate player.

Mike Johnson (*half back*). Swansea born. Schoolboy, Youth, "Under-23" and full International. Height 5ft. 10½in., weight 11st. 4lbs. Very promising defender who should go a long way.

Brian Thomas (*wing half*). Local product, aged 19. Useful deputy eager for chance to make good.

Herbie Williams (*wing half*). 6ft.; 11st. 6lbs. Another local boy from the prolific Swansea "nursery." Ex-Schoolboy, Youth and "Under-23" International. Colourful personality with powerful shot in either foot.

Brian Purcell (*centre half*). Local product who has been with the club since he was a junior. Equally at home at full back. Strong in the tackle and quick in recovery.

Brian Evans (*winger*). Signed from Welsh League team Abergavenny and pitch-forked straight into the first team. Plays at outside right or left. Young player of much promise.

Derek Draper (*inside forward*). Swansea born. Youth International and chosen as reserve to the Welsh Under-23 team. Promising ball player affectionately known as "Didi" by the fans.

George Kirby (*centre forward*). Man of many clubs—Everton, Sheffield Wednesday, Plymouth Argyle, Southampton and, until Swansea signed him eight days ago, Coventry City.

Brayley Reynolds (*inside forward*). Welsh born. Ex-Cardiff City and Lovells Athletic. Centre or inside forward. Industrious type with good ball control who keeps his forward line moving. Top scorer last season with 13 goals.

Eddie Thomas (*inside forward*). Lancashire born. Long spell with Everton before joining Blackburn Rovers from whom Swansea signed him. Good ball player with flair for goals.

Jimmy McLaughlin (*outside left*). Londonderry born. Ex-Birmingham City and Shrewsbury Town. Irish International at intermediate and full level. Dangerous raider and scorer as England have learned to their sorrow.

OLD FAVOURITES 6. *Tommy ("Topper") Thompson*

Tommy Thompson, slight of build and sleight of foot, a destroyer with an almost apologetic air when on the kill in his hey-day, served three famous clubs with loyalty and distinction after his talents had first come prominently to notice in his native North-East. With Newcastle United, as a comparative youngster, he was fated to be rather like a prophet without honour in his own country. The ability was there, but eyes which should have been seeing it in embryo tended always to be looking for the flaws. Like many a local lad of promise he suffered from lack of patience and encouragement when he needed both. Happily for "Topper," to give him the nickname by which he was fondly known, he fared better with Aston Villa and was capped by England against Wales in 1952. In the close season of 1955 North End fancied him enough as a prospective partner for Finney that they decided to pay more for him than even Eddie Quigley had cost. Happily it was a deal they had no reason to regret and neither had "Topper," who would say that his brightest and liveliest days were spent at Deepdale. He even earned a second cap. Getting goals by stealth was his forte; he was the poacher supreme and none knew better than the other Tommy how to lay on the pickings. In successive seasons Tommy Thompson scored 23, 26 and 34 goals—this a club record for an inside right. He earned much esteem without ever really getting his due as a snapper-up of unconsidered trifles.
